

## ...Of Poisoned Sorrows

Dááth

The reason is forbidden  
To live within the nothing  
Men of contention will thrive on devoured minds  
Devoured minds of poisoned sorrows  
Succumbing to worthless paths of devout cravings  
Succumbing to worthless paths of devout cravings for you  
Cravings for you  
Realize that patience is a virtue  
Discarded ignorance is a mask without a mind  
Nothing more than pitiless minds  
Without a strong sense of time  
A sense of time  
Devout cravings for you  
The cravings for you  
Realize that patience is a virtue  
Discarded ignorance is a mask without a mind
