

## Placenta

Dááth

Awake  
From the years of repress-  
Sions  
I am reborn  
Open the casket  
I am reborn

World, when you've  
Got that fever  
Away  
In the ground  
World, when you've  
Go that fever  
Got that fever  
Got that fever  
In the ground

Give yourself, you  
Give yourself  
Give yourself, you  
Give yourself  
Away
