How she only 21?
(Take that off)
Oh lord, Jetson made another one!

How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy
How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy

Who you know to sign a label deal and still don't need her
What y'all playing for the pole cause I got cheaper refer
I be strapped up at the show, you know I keep a heater
Blowing loud to keep a flow 'cause all these people demons
When I was down, I was on my own now all these people need me
I had to branch out on my own too many people leachin'
And I don't like no leaches, no I don't like no leaches
When I like five years old
I used to like my teacher, food out there I'm eating
I made freak turn freak
You know it's a feat for features
She told me she only 21, her record still clean and young
I looked the bitch dead in her eyes, told her go get some more legal guns
I need that

How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy
How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy

Can't do another other, got it for me, baby
Cause I am not your daddy, I'm Da fucking Baby
I still remember back when we ain't have no fucking money, baby
Had to act like I was watching something, wasn't no cable
I saw the screen, it was blue
I had no AC, it was hot
But now you can reach in my pockets and pull out a fucking knot
No, they can't stand how I'm rocking
I know I'm the man, I'm so cocky
And we done hit all of these hoes
If she from the city, we go there
You better come get him, we got him
He tried to come get me, we shot him
I'm still in the city, ain't hiding
Touch one of my niggas, we riding
She told me she only 21, her record still clean and young

I looked the bitch dead in her eyes, told her go get some more legal guns
I need that

How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy
How she only 21 and she a savage
My bitch look bad she make my other bitch look average
I'm talking nasty
I call her my lil' bad bitch
She call me daddy but I am not a daddy
