

## 5 FOR A DUB

DaBaby

Damn, Glacier, this one finna kill these niggas

Five for a dub, beggin' me for a body, they like stop lettin' these niggas try you

We ready to slide, big bruh (Let's go)

Ride sittin' up, shittin' on everybody, hangin' out the window  
With that fire, they ready to fire shit up

Price went up, I'm chargin' double today (Uh)

I just popped a pill, she popped a pill, the pussy in trouble today (Come here)

Ain't gon' be no more welfare from me, you can keep that in the government pay

No, I can't see not nah nigga playin' with me, if they do hope they ready to play (Yes, sir)

Let me take that, let me get a shot too, okay I'm ready for bae  
Niggas white t-

shirts at a birthday party, they scared of the cake

Put the world on my shoulders, you can get up there too

Big dawg, I can carry the weight

Earrings havin' seven karats in each ear, do the math, that's a karat a day

My bitch and your bitch and his bitch mine (Yeah)

I set it off and kept it humble, they must've forgot how the fuck Baby comin'

I'm ready to shit on these lil' niggas this time (Let's go)

Clean as a bitch with a big iron (Yeah)

How I'm rockin', shit, go ask my mama, she'll probably tell you  
I ain't with the talkin'

You see that boy pull that bitch out, better get down (Get down, get down)

What it sound like when I get to hittin'? (Yeah, nigga)

Findin' me, that's a lottery ticket

You think buddy cool, I don't follow the nigga (Uh)

It's the gun and the joggers for me, send the ho to the mall, get a tee

Make my dog walk you down for a fee

I don't think they understandin', my lil' nigga got 'em

Five for a dub, beggin' me for a body, they like stop lettin' these niggas try you

We ready to slide, big bruh (Let's go)

Ride sittin' up, shittin' on everybody, hangin' out the window  
With that fire, they ready to fire shit up

Five for a dub, beggin' me for a body, they like stop lettin' these niggas try you

We ready to slide, big bruh (Let's go)

Ride sittin' up, shittin' on everybody, hangin' out the window

With that fire, they ready to fire shit up

Yeah, nigga, I'm talkin', can't wait to do it (Can't wait to do it)

You know, you know (That ain't DaBaby, that's my baby)

Go
