

Ain't That A Bitch

DaBaby

Yeah, and this for any big dog, nigga, any provider
You know what I'm sayin'? Any nigga that, you know, make sure everybody fed
You know and then when your food slow up, everybody fold on you

(Firzt back like he left or somethin')

Yeah

And you know, sometimes the way shit unfold, you gotta just goddamn, you know

Be like, damn, ain't that a bitch?

Shit just have you like, you know what I'm sayin'?

Ain't that a bitch?

Damn, ain't that a bitch?

The more and more famous you get

It be the same niggas that you came up with

Act like you ain't never gave 'em shit

And, nigga, I ain't never once act like I did

But I'm the one that always help pay your rent

That money slow down and these niggas forget

Don't know how to stay down, boy, you niggas trip, yeah

Watch how I turn up on all of these niggas

Ain't finna be sittin' 'round arguin' with niggas

I'ma show these fuck niggas they ain't nothin' like me

I'ma lose it all, get it back, ball on you niggas

Had it on fire, niggas stayed on my phone

When they thought I fell off, they wasn't callin' a nigga

I noticed I kept it realer than them

I'ma stay out they way 'fore I kill one of them

I'm the best fuckin' rapper of my era

I ain't just become that, bitch, I been one of them

How you still got that ass, but you slimmer than slim?

The fuck you do that? You must been in the gym

Smilin', she must wanna give me some trim

My hoes come around, they be feelin' me in

She asked me, "Ay, how you feel 'bout your friends?"

What?

Damn, ain't that a bitch?

The more and more famous you get

It be the same niggas that you came up with

Act like you ain't never gave 'em shit

And, nigga, I ain't never once act like I did

But I'm the one that always help pay your rent

That money slow down and these niggas forget

Don't know how to stay down, boy, you niggas trip, yeah

I'ma be the one to put you down, pay attention

Hopin' that this ain't a waste of time, you gotta listen

Honestly, I'm livin' and I'm dyin' with this pimpin'

Don't ever talk down on your dog around them bitches

Ain't never lookin' at my brother woman, l'on play that

You thuggin' and you fell in love with a nigga, say that

I never thought I'd be the only nigga in this Maybach

Ridin' with my gun, lookin' 'round like

Damn, ain't that a bitch?
The more and more famous you get
It be the same niggas that you came up with
Act like you ain't never gave 'em shit
And, nigga, I ain't never once act like I did
But I'm the one that always help pay your rent
That money slow down and these niggas forget
Don't know how to stay down, boy, you niggas trip

And it be like, you know
Niggas know I ain't one of them niggas that count favors
You know what I'm sayin'? But we, we took a sheet of paper
And we wrote down what I done did for niggas
You get what I'm sayin'?

Like, ain't that a bitch?
The more and more famous you get
It be the same niggas that you came up with
Act like you ain't never gave 'em shit
And, nigga, I ain't never once act like I did
But I'm the one that always help pay your rent
That money slow down and these niggas forget
Don't know how to stay down, boy, you niggas trip

You know, you niggas tripped me out, dog
These niggas and these bitches, bruh
But it's all good, I hope we can--Goddamn! You know?-- mend this shit
It's human nature, you know what I'm sayin'? So don't be, don't be too proud
for the conver-, you know?
Don't be too proud for the goddamn holdin' yourself accountable, and come, you know
Approach your brother like a man, man, come holler at your brother, man
You know what's happenin' with me, you know I got you, nigga
Let's do it, nigga, you know, I'm yo' crutch when you goddamn fall, nigga
Get up
But you know, if that's too much for your pride, if that's too much for your heart
You know what I'm sayin'? You know, you know me, nigga, real nigga
I wish you the best on all your endeavors, and I'ma be the first one to clap for you
But other than that, I'ma be sittin' in the back like
Damn, ain't that a bitch?
