Yeah, big-body Benz I had bought for my momma (Cash)  
Big-body Escalade, wide like a Hummer

We kickin' hoes out the hotel like karate (Hi-yah)

I don't even rap, it's low-key just a hobby

Not me, when I rap, I get paid for that shit  
Somewhere ducked off in L.A. with your bitch  
I just flew commercial, I didn't wear a mask in the airport, my arm 'round y

Serious, I don't even play 'bout that money  
Tell me you drivin' a Maybach or sum'
