I don't really like to talk, let me pop my shit (Let me pop)
I can't get them haters off my dick
You know I drop my nuts when I drop my shit (Let me drop)
And I'm the type to keep it quiet, don't speak
They'll never know it's me when they block get hit (Shh, shh)
My mama told me I should go and holler at my brother (Wait a minute, who are you? Ayy, yo, K.i.D.)
Just to let him know we all be havin' problems and we love him (Go)
It's traumatizin', you know, how we started in the gutter
Now I'm chillin' with my daughter in a goddamn mansion
Just waitin' on a nigga, watching goddamn cameras
Cheat code, nigga, I'm the goddamn answer
Beast Mode, I'ma beat the goddamn cancer
And I don't really give a fuck about how you feel, homie
Put the alphabet on him, put the AR on him, put the F&N on him
Get to shootin' at a nigga, have him goddamn dancin' (Yeah)
You know I keep the blick with the extension
Never foldin' under pressure, know I love it when there's tension
Know I love it when it's questions in my motherfuckin' mentions
Know these bitches bein' messy, need some love and some attention
You niggas say I ain't go no flow, they better motherfuckin' listen

My house so fuckin' big, ain't even using half the rooms
It's hot outside, I actually forgot I had a pool

R&B freak, I try to fuck her every day
Curly-haired jiggy bitch, it might be DaniLeigh
Ooh, did he just say that? You probably need to play back
Six cars in the driveway and I don't even drive
I be backseat pimpin', 'bout to go and get a Maybach
Name another nigga that can kick it how I kick it
You can't name another nigga that be livin' how I'm livin'
I ain't never told a lie, these other niggas rappin' fiction
Could've been switched the flow, these stupid niggas wouldn't get it

Fuck it, shit, we can go body for body (Go, go)
He got too many hoes, let's go thotty for thotty (Go, go)

She don't look like my mami, I call her my mami (Mami)
I'm not trusting nobody, don't fuck with nobody
Not tryna re-sign but they tryna re-sign me (Go)

My heart's no longer in it, forgot who you was dealin' with
Give me mine, nigga, I got kids
