

Intro

DaBaby

Yeah, yeah, yeah, yeah

DaBaby

Firzt on the track

Everybody want my vibe, everybody want my energy

It feel like everybody want my life, she been fuckin' with my mind

My bitch a motherfucking dime

I sat her down when there was no one around

And I told her, "look me in my eyes, keep it real don't ever lie"

She said that nigga a cornball, I turned that girl to my pornstar

I turned that girl to my main thing, we holdin' hands at the Walmart

Me and you are not the same thing, I am nothing like what y'all are

Billion dollar baby like LeBron James, all a nigga do is ball ball

I'ma turn it up on all y'all, they been blowing up my call log

Run up on me, I'ma shoot first, I'm a motherfuckin' ball hog

Goin' hard, I never fall off

[?] better come and get your girlfriend

'Cause I'm a motherfucking dog, dog

I'm a motherfucking cool guy, I got these hoes all on me

Kickin' bitches off the WiFi, she ain't fuckin' tell her bye bye

I was lettin' niggas slide by, I was playing Mr. Nice Guy

I was stickin' to the program, stayin' down 'til it was my time

Thank the lord, I'm finally up now

Everything a nigga sing got me jumping out my sleep

20 thousand in a week

And I got it out the streets, uh

Never ballin' out with freak hoes

I'm the one who got the hookup

'Bout it, 'bout it Master P

A'ight nigga, a'ight nigga, a'ight

A'ight, a'ight, yeah

Yeah, you done, you done, you ready now, you ready now

You ready now

Mama having different type of ideas but you know

But, you know how the fuck your shit go about

Naming yourself and praising yourself, you know

Lil' nigga, you're brilliant, nigga

You're brilliant, nigga, you different, nigga

You sold me the game on God

Nigga

You the billion dollar baby
