

Mini Van

DaBaby

I get them hitters in Mini Van
Chopper it spinning, no ceiling fan
Get your bitches then I ball like a skeleton
Call up the plug and I told him quit meddling
I ain't got no time for no middleman
Walk in the trap and take over his trap, should I let him in?
If I do then we gon make a settlement
These niggas snitching, they talk too intelligent
I know that these niggas telling it
I can't believe that they (Ayy)
I can't believe that they (Ayy)

Fuck nigga dissin' it's BOA
