DaBaby

Yeah yeah yeah

Ha

Bitch

(I'm really Rich)

Ok, I got too many rooms inside my crib

I'm on FaceTime with my hoes, bitches asking where I live

I just sat with the label, but I didn't sign the deal

I told my plug to "Turn me up"

He told me, "Boy you need to chill"

And I'm a keep the fucking swanging till we got a fucking M

Forever loyal to my family, never switching on my friend

Inside the gate been pushing weight before I ever seen a gym

Took a loss for 30 thousand when I dropped Above the Rim

They talking money when we meeting, ain't meeting again

Ain't no capping in my rapping, so I never need a pen

I like a freak to mind her business, tell the people that I'm her friend

Play for keeps

I get the pussy, then I dip 'em in the wind

I'm a mothafucking pimp

I fuck 'em once, I fuck again

Yeah

If I ain't on patron, I'm on the hen

And I ain't tryna kick it with you niggas, fuck a friend

All these bitches in my mention, liking pictures on the gram

I'm having way too much for shittin' on you niggas

They knocking on my door

Cause I'm different on you niggas

How can I ignore

That I'm the sickest that ever did it

Rocking shiny clothes and dancing in my videos like Diddy

I'm that nigga in my city

And if a fuck nigga ever hattin', he only hattin' cause he ain't with me

And if a lil bitch you hear is talking down, she only talking down cause she  
in her feelings

Know you heard bout baby Jesus

Everybody round 'em winning

I just did a show in Charlotte and bitches wrapped around the building

Ok, I got so many rooms inside my crib I'm on FaceTime with my hoes, bitches  
asking where I live

I just got lost, I used my gps to take me to my friend

I told my baby momma she can work for me and watch the kid

Before I leave I kiss my daughter, my lil baby getting big

When she was born, I told her she gone be 13 in a Benz

Steady flexing on my old friend, I just dropped my next again

I'm smoking OG with my old head, talking shit and drinking hen

Fucking rook, you know you should've checked the pack

You bought the floop, I did the scoop

Just made the play in public housing, rocking skinny jeans and boots

These bitches hanging on my dick, they keep on saying I'm the truth

Bitches see me and they squeeze me, got the juice

I'm on the flock 3 times a week, for stuffing dick inside your boot

She call my phone, I'm coming over

Put it on her, she like ouu

I'm setting trends for all these niggas tryna copy what I do  
But you can't never be like me, you might as well just be like you  
Coolest money in the jungle, nigga the mothafucking zoo  
Got monkey nuts below that AK, bitch pull up go with yo move

They put a wall up, I tear a wall down  
Fuck a nigga, I ain't falling for it  
Never fall off, never fall down  
Fuck them other niggas, we ball  
Till they come and make us put the ball down
