

PEEP HOLE

DaBaby

Cook that shit up Quay

Every time I turned around I had to blast out the door
Call before you knock nigga
Call before you knock, what the fuck you talkin' bout
Neighbors think I'm selling dope

Go

Baby he don't wanna be a player no more
I was looking out the peephole wit it
Every time I turned around I had to blast out the door
Now a nigga going beast mode with it
I got 15 beds we ain't laying on the floor
I done hit a lotta freak hoes
Nigga guess it's safe, safe for you to say that I'ma hoe
I'm out the game I'm not a player anymore

I got money to bail out
Won't pull over, they know he gone bail out
Drop the window, turn right throw the scale out
Fuck you mean we don't ride with no scale now
We sell them bitches whole (we sell them bitches whole)
I had em' knocking at my door
I used to have em' for the low
My neighbors think I'm selling dope
I had the AC on, every winter young nigga had the burner in his coat
I hit a nigga with the fan
I hop out, glock out, I was taking pictures with the fans
I can show you how to rob without a tool
All them times I hit the middle man
All them times I took a nigga off
Nigga wanna be a boss but ain't have what it took to be the boss
She didn't know what it took to be my bitch
I ain't know what it took until I lost

Baby he don't wanna be a player no more
I was looking out the peephole wit it
Every time I turned around I had to blast out the door
Now a nigga going beast mode with it
I got 15 beds we ain't laying on the floor
I done hit a lotta freak hoes
Nigga guess it's safe, safe for you to say that I'ma hoe
I'm out the game I'm not a player anymore

I'll always be a pimp, I'm not a player I get it
I'm wiping all them bitches off my radar
No Kizzy (Kirk)
I'm always on the charts like I'm Drizzy (Dirk)
Fade away I get you shot like Nowitzki
Can't wait to do the show when I'm in Dallas
We be eating healthy on the low she made a salad
I been getting money on the low it's hard to hide it
My baby like to fuck me on the floor I let her ride it
It's off the top I ever make a song I never write it
I'ma Grammy nominated hit maker
Lame nigga bitch taker

Fuck the police, you yelling with a gun out how the fuck we gone think
You take my daughter daddy how the fuck she gone eat
I kill me a cop what the fuck they gone think, prolly hang on a tree
I'm dangerous, I keep a banger on me
Gotta drop down and pray before I sleep
Lord

Baby he don't wanna be a player no more
I was looking out the peephole wit it
Every time I turned around I had to blast out the door
Now a nigga going beast mode with it
I got 15 beds we ain't laying on the floor
