

POP DAT THANG

DaBaby

Pop that thang, let it clap, let it clap
Ride this D while you sit on my lap (Let's go)
Spread them cheeks, let me see that hole
Shake that ass like you outta control (Mm-hmm)
Suck that thang till ya throat get sore
Bend it on down, put ya face on the floor
Fuck that shit till ya legs can't stand
High freak bitch with the world in her hand
