

TLC

DaBaby

(Wait a minute, who are you? Ayy, yo, K.i.D)

And I know that I'm the best out
Make a bitch burn my house down like she Left Eye, yeah
On my TLC, a lot of freaks
But ain't never met a freak like my freak from the westside, yeah
And I know she love me
She don't wanna see me leave, don't wanna see me be the best I can
She don't wanna really see how fresh I am
She don't wanna really see me flex my bands (Go)
And I know that I'm the best out
Make a bitch burn my house down like she Left Eye, yeah (Yeah, yeah, yeah)
On my TLC, a lot of freaks

They don't know me, why the fuck you let 'em mention me? (Huh?)
I know they hatin', they need company for misery (What?)
You let 'em get to you, but I won't let 'em get to me

Never stay the same, I always turn it up a level
You wanna dig a deeper hole? Well, go and shovel
You gotta let 'em dig it, is you diggin' it?
I had to separate, a nigga wasn't feelin' it (Nah)
Remember you was down when you was into me
But you no longer in it, now you fuckin' up my energy (Ow)
These bitches down for a date with me, but I don't really like to date
So all these cornball niggas can't relate to me, and I ain't even tryna hate
And I'm the type to let you eat up off the plate with me, but you won't even
share the plate
And if I ever ever went out on a date with you, I'd probably still'll show u
