Bloom

Dabin

Where we are, we stay this way
Wrapped up in a summer daze
Try to find that piece of time
That let's me freeze you in my mind

I don't want us to change, don't want us to chip away
Oh, I am trying to save our bodies against the waves

Could we stay in bloo-ooo-oom?
Everything is new, ooh, ooh
I don't want to leave this room, just let me stay
Let me stay with you
Could we stay in bloo-ooo-oom?

Could we stay in?
Could we stay in?
Could we stay in?
Could we stay in?

Holding tight to what we had
If it's lost, will it come back?
Tell me if this windin' road
Is made of dirt or made of gold

I don't want us to change, don't want us to chip away
Oh, I am trying to save our bodies against the waves

Could we stay in bloo-ooo-oom?
Everything was new, ooh, ooh
I don't want to leave this room, just let me stay
Let me stay with you
Could we stay in bloo-ooo-oom?
I don't want to leave this room, just let me stay
Let me stay with you
Could we stay in bloo-ooo-oom?

Could we stay in?
Could we stay in?
Could we stay in?
Could we stay in?
Could we stay in?
Could we stay in?

Could we stay in bloom?
Could we stay in bloom?
Could we stay in bloom?
Could we stay in bloom?
Could we stay in bloom?
Could we stay in bloom?
