

Hollow

Dabin

There's too much on my mind right now
It's ripping me apart deep down
But if I let it all spill out
Baby, you would only drift away

Feels like every hole I dig only gets deeper
Closer to the reaper
I don't wanna pull you in
The questions circling in my head
Always seem to sound like this (ahh)

Why do I, why do I feel so hollow?
Hollow, hollow
Try to hide from my mind, but it follows
Follows, follows

Me everywhere that I go
So tell me, I need to know
Why do I, why do I feel so hollow?
Hollow, hollow

Everyone I know seems free
Dancing to their own heart's beat
Maybe somethings wrong with me
Maybe I was meant to sit and wait

On an angel or a god to bring me freedom
But I never see them
Something tells me they're not coming
Can't feel a thing, I just exist
And I don't wanna die like this (I don't wanna die like this)

Why do I, why do I feel so hollow?
Hollow, hollow
Try to hide from my mind, but it follows
Follows, follows

Me everywhere that I go
So tell me, I need to know
Why do I, why do I feel so hollow?
Hollow, hollow

When something inside my bones
Is shaking hands with silence
I need your touch to guide me home
I need your voice to fight it
When something inside my bones
Is shaking hands with silence
I need your touch to guide me home
I need your voice to fight it
(I need your voice to fight it)

(So tell me)
Why do I, why do I feel so hollow?
Hollow, hollow
Try to hide from my mind, but it follows
Follows, follows

Me everywhere that I go
So tell me, I need to know
Why do I, why do I feel so hollow?
Hollow, hollow

When something inside my bones
Is shaking hands with silence
I need your touch to guide me home
I need your voice to fight it

(Why do I, why do I feel so hollow?)
(Hollow, hollow, hollow)
Hollow
