

In The Cold

Dabin

I'm sorry that your heart broke
When you lost control
Of who I would be with and when
Can't believe it took a whole year
To wonder why I'm here
Should've known this was how it would end

I can taste the salt on my lips
From the tears that you made me cry
One day I hope you finally admit
That you were the reason why (you were the reason why)

One last goodbye and I'm going home
I told you I'm tired and I gotta let go
I can feel the chill when you walk in the room
My fingers go numb when I'm right next to you
So here's your goodbye
You're on your own
Cause I'm done standing here in the cold

So here's your goodbye
Here's your goodbye
Here's your goodbye
Here's your goodbye

I bet you wonder if I miss you
Reminisce you
Hope you now regret the day that I left
But I hope your heart is healing
And you're dealing with
All the reasons why you were such a mess

I can taste the salt on my lips
From the tears that you made me cry
One day I hope you finally admit
That you were the reason why (you were the reason why)

One last goodbye and I'm going home
I told you I'm tired and I gotta let go
I can feel the chill when you walk in the room
My fingers go numb when I'm right next to you
So here's your goodbye
You're on your own
Cause I'm done standing here in the cold

So here's your goodbye

So here's your goodbye
Here's your goodbye
Here's your goodbye
Here's your goodbye

Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
