

Part-Time Lover

Dabin

Stay a little while
We both know I'm gone in the mornin'
Lazy afternoon
Love it when you're mine
Even if I'm not lost without you
I like when you call, baby, yeah

All I wanted was a part-time lover
Everybody feels alone some days
Someone who could keep me warm in winter
So don't leave, just hold me
All I wanted was a part-time lover
Under cover, take my breath away
Even if we never see each other
It's okay, I'm okay, hey, yeah

Hey, yeah
I'm okay, hey, yeah

Boy, you can't decide
Is your glass half-full or half-empty?
You like when I call, babe, yeah, yeah
You're askin' me for more
Even though the bottle is empty
You pushin' and pullin' away
Could've been so easy
(So easy, so easy, so easy, so easy, so easy, so easy, so easy)

All I wanted was a part-time lover
Everybody feels alone some days
Someone who could keep me warm in winter
So don't leave, just hold me
All I wanted was a part-time lover
Under cover, take my breath away
Even if we never see each other
It's okay, I'm okay
All I wanted was a part-time lover
Everybody feels alone some days
Someone who could keep me warm in winter
So don't leave, just hold me
All I wanted was a part-time lover
Under cover, take my breath away
Even if we never see each other
It's okay, I'm okay, hey, yeah

I'm okay, hey, yeah
I'm okay, hey, yeah
