

Ready

Dabin

You count on me
But I don't wanna let you down
And honestly what I've become is fading out
I don't know what happens to the rest of me
But here I am
Please don't run away from me

Pick up on all of the signals
You scream, "I'm ready to let go"
We don't have time to regret though
Are you ready now?

Although I know we can make it
Cry for my heart, just to break it
I won't suffocate my heart again, oh

(Are you ready now?)

And, baby, please
I'm tryin' just to understand
Why your shallow tears
I just want you to grab my hand

So come on, let's go
I know you wanna see me too
Baby, if I take you home
(If you're ready)
I know I'll do it for you

Pick up on all of the signals
You scream, "I'm ready to let go"
We don't have time to regret though
Are you ready now?

Although I know we can make it
Cry for my heart, just to break it
I won't suffocate my heart again, oh

(Are you ready now?)

(Are you ready now?)

(Are you ready now?)

(Are you ready now?)

(Are you ready now?)
