

# Sunday Fuck You Too

Dada Life

[Verse 1]

My boss said "Hey  
Tonight you're working late  
'Cause you got stuff to do"  
Everyday's the same, there's nothing new  
Everyday somebody's screaming  
Hey  
Feels like I can't escape  
But I know what to do  
Now I'm leaving and I'm screaming too  
And now everybody's screaming

[Chorus]

I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday  
Sunday, f\*ck you too  
I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday  
Sunday, f\*ck you too

[Verse 2]

My friends said "Hey  
Tonight we stay out late  
'Cause we got stuff to do"  
Keep on smiling, everything is new  
Everybody in the place go  
Hey  
This is the great escape  
And we know what to do  
This is the song that we are screaming to  
And now everybody's screaming

[Chorus]

I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday  
Sunday, f\*ck you too  
I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday

[Bridge]

Monday, Tuesday, Wednesday, Thursday  
Monday, Tuesday, Wednesday, Thursday  
Monday, Tuesday, Wednesday, Thursday  
Monday, Tuesday, Wednesday, Thursday  
Sunday, f\*ck you too!

[Chorus]

I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday  
Sunday, f\*ck you too  
I don't care about you  
I don't care about you  
No, I don't care about Monday, Tuesday, Wednesday, Thursday

Sunday, f\*ck you too

[Outro]

I don't care about you
