

Interlude 2

Daddy Yankee

Oh baby
Oh, oh, oh, oh boy

-If you ain't ready to rock
And pop-pop-pop-pop, non-stop (Stop!)
We are ready to rock-

I set up shop back in '92
Took a couple of kids out the streets in June
Made enough dough to stretch the street in two

Make no mistake, I'm a hip-hop artist
Before the diamond in the Billboard, the hood charted it
