Hmm, gyal, I need one more time with you, I need one more night
Gyal, I need one more time with you, I need one more time

Anything you need say I go buy all for you
Tell me where you dey, make I fit pull up on you
Baby make I pull up on you

Baby this your body, wey dey turn me to fool
Tell me where you dey, make I fit pull up on you
Baby I go pull up on you
So me say

One time, gyal I need one more time with you, tonight
Tonight, tell me when I go come through, oh (Gyal I me say)
One time (Hey), gyal I need one more time with you, tonight
Tonight, tell me when I go come through, oh (Han)

J'peux pas finir l'jeu sans la pièce manquante (Han)
Je viens te retrouver, dis-moi quand
Ça sera pas facile avec ma vie
J'fais l'tour du monde, mais le planning j'peux le modifier
Dis-moi dans quelle langue
J'peux t'envoyer le plus beau des compliments
Mama, tu brilles plus que mes diamants
J'veux construire du solide amour en ciment (Nah, eh)
Qui t'a laissé seule avec ces vautours ?
T'as fini d'regarder les autres, maintenant, c'est ton tour (Oui, oui)
Parle à mon oreille, parce qu'ils entendent tout
Chuchote-moi doucement tous tes rêves, je réaliserai tout

One time, gyal I need one more time with you, tonight (Yeah)
Tonight, tell me when I go come through (Ah)
One time, gyal I need one more time with you, tonight
Tonight, tell me when I go come through (Oh, oh, ah)

Fine face, fine gyal, you are looking sharp
[?] baby gyal, you know dey see my stocks
Gyal I like how you smile when ya feeling shy
I know say you don't make this for many guys
Say me I got the cheese, make you close shatta
Even look another gyal, I go dey waste doctor
Me and Dadju talk say we wan' settle down
And it do, no dey form, make you drop shoulder (Hmm)

Quand tu me souris comme ça (Yeah)
J'vois le monde en slow motion, motion (Hmm)
J'aime quand tu m'regardes comme ça (Yeah)
Puis, tu m'embrasses d'manière noncha-nonchalante
Pour toi, je te laisserai Paris
Mama le meilleur arrive (Nah, ah, ah)
J'ai cherché, mais nobody n'arrive à atteindre ta cheville
Everything I need

One time, gyal I need one more time with you, tonight
Tonight, tell me when I go come through, oh (Gyal I me say)

One time, gyal I need one more time with you, tonight
Tonight, tell me when I go come through, oh (Yah)
One time, gyal I need one more time with you, tonight (Yeah)
Tonight, tell me when I go come through (Ah)
One time, gyal I need one more time with you, tonight
Tonight, tell me when I go come through (Oh, oh, ah)
