Yeah shit double cheap  
She got double G's  
I keep hundreds on me  
Yea them blue cheese  
Look how I ride around  
Gettin' blown by the pound  
My bitch love that sound  
My bitch thicked up yea  
My bitch in the trap  
Bitch that 50 rounds

I'm killing shit and shit is nothing to me  
Drop top coupe

Oo, why you too cool  
Cool taught me the recipe

But if I hurt you  
What if I laughed at you  
Yea would you laugh too  
Watch me get bags baby

Them niggas never last  
Always come with bad news  
Never bring my past up  
That shit don't bring no cash
