**Dae Dae**

Bezel on bezel on watches on watches you win  
To many watches, choppers, and dollars and kins  
I took some loses but bitch I'm back balling again...

Yea

M.I.A - I'm like whoa  
What they say - I'm like whoa  
Out my way - I'm like whoa  
Keep that k - I'm like whoa  
I eat steak - I'm like whoa  
I'm up steak  
How bout nigga hate that trap house come with more loads  
And my money long as a bitch don't pull no show  
Got these bitches on my dick bet they don't pull no show  
Red bottom on my feet I'm bitch a walking goat  
I told my mama don't worry bout it I got you and some...

And I'm at it again  
Told fam to put the pride to the side we don't need friends  
Got a clip here this here long I'll spin  
Rather you right or wrong bet you I won't bend  
Sad to say I'm getting better  
They act like they don't know  
Finally out my daddy spot  
I went got me another spot  
They don't rock this wave  
They go rock this shit  
When I drop this hear, they don't want me win  
So I had put that spot at my brother spot  
They don't want me win  
So I had put them bags at my brother spot  
All at the spot had to go big I'm at the other spot  
To much money I can't even walk around with these big knots  
Nigga hate we go pull up big shots it's big there

Yes suffer bug stepper yessir  
Pull up got my rounds on my shoulder don't need no vest sir  
I'll show you how to get back ion sit on my ass  
I go and get up and get that I'll make lil bro spazz out  
On that spin that and go whoa

M.I.A - I'm like whoa  
What they say - I'm like whoa  
Out my way - I'm like whoa  
Keep that k - I'm like whoa  
I eat steak - I'm like whoa  
I'm up steak  
How bout nigga hate that trap house come with more loads

Got these bitches on my dick bet they don't pull no show  
Red bottom on my feet I'm bitch a walking goat  
I told my mama don't worry bout it I got you and some...

Cherping, glizzys, walking, dash  
Kidding me, really, living, fast  
All, type, niggas, swagging I built it  
Hold respect but I ain't got to flag it

You pocket or you watching I'm dropping lot of knowledge  
I'm bopping while I'm wobbling and the trending topic  
He packing he will pocket you better not think we propping  
I'm watching while she top me I'm all in another topic  
Already flood the watch  
Already hit another range nigga and go and test another chopper...  
Hopping out that foreign whip and I caught a Charlie  
Yea, how many time you got to remind they ass I been boss up  
I been running this shit ain't worry bout em I ain't crying yea  
Count them got dam dead president new residents  
And I know they smelling this scent, you can smell this shit  
Stack that got dam dead president  
Pushing presidents, carbon 15 with a lil suspension where they say they went

M.I.A - I'm like whoa  
What they say - I'm like whoa  
Out my way - I'm like whoa  
Keep that k - I'm like whoa  
I eat steak - I'm like whoa
