Run Up if you want, Dae Dae guns you quick  
Coward ass niggas who you fuckin with?  
Niggas know my M.O. boy I got that ammo  
Run Up If you want I'll let it blow like Rambo  
Its Jurassic park welcome to the streets  
[?] make him feel the heat  
Niggas know my M.O. boy I got that ammo  
Run up if you want I'll let it blow like Rambo

I swear to God they f'n with the f'n one  
Got that f'n pointed at you better f'n run  
If I see you in my city boy its over  
For you  
I'm suited up and shooting like a fucking soldier

I'm ready to go, load them up its hammer time  
I'm macking with the mack hit him every time  
Lay him down, bag him up  
Take his  
Ass away make sure you tag him up

Niggas talk that shit when they be crowded up  
That chopper leave them quiet  
But its loud as fuck  
These niggas know we in the city 100 deep  
Its jurrasic park, welcome to the  
Streets

Run Up if you want, Dae Dae guns you quick  
Coward ass niggas who you fuckin with?

I Got shooters, I got niggas creepin at night like freddy  
Krueger  
Got them rugers with extendos and that bitch came like a tutor  
Got them bitches hanging low them bitches like them titties from hooters  
Blisters make you bleed, guarantee every shot go through you

(Squaadaaddd) It's Dae Dae Stallone, what the fuck you thinking?  
2 shots to your dome leave you fucking stanking  
Busting in the air where the fuck you aiming?  
You niggas hate the squad and I don't fucking blame you

Bullets flippin out the drum, circus ride  
Peel the skin off his head leave him circumcised  
Like some little ass kids, you better run and hide  
If not, it's gonna be a homicide

Run Up if you want, Dae Dae guns you quick  
Coward ass niggas who you fuckin with?
