Touch

Daft Punk

Touch, I remember touch Pictures came with touch A painter in my mind Tell me what you see

A tourist in a dream A visitor it seems A half-forgotten song Where do I belong? Tell me what you see I need something more

Kiss, suddenly alive Happiness arrive Hunger like a storm How do I begin?

A room within a room A door behind a door Touch, where do you lead? I need something more Tell me what you see I need something more

Home Hold on If love is the answer you're home [8x]

Touch, sweet touch You've given me too much to feel Sweet touch You've almost convinced me I'm real

I need something more I need something more
