

## Values Here

Dag Nasty

what'd you say  
when I said we'll be here through tomorrow  
in my heart and in my head  
fear of failure  
fear of reprimand  
two big problems  
I've never had  
I never doubted what I had inside... what I have inside  
values here in my heart  
and we'll be here through tomorrow  
every day's a brand new start  
fear of failure  
fear of reprimand  
two big problems I've never had  
I never doubted what ya had inside... what you have inside  
fear of failure  
fear of reprimand  
two big problems I've never had  
I never doubted what we had inside... what we have inside
