

## Sorcery

## Dagoba

Wickedness, belief, faith  
All shits guided by fear  
Attractions, suffering, lies  
You all know what I'm talking about...(2x)

Blood, spurs, feathers  
No money for a rite  
Dominion - sorcery - possession

See the world in another way  
No white or black, let's see what's grey  
See the world in another way  
Where nothing is real, they say...

Naked bodies dancing around  
Flaming voodoo signs, evil sights  
A life taken for a rebirth  
Sacrifices in early dusk

Dominion - sorcery - possession

See the world in another way  
No white or black, let's see what's grey  
See the world in another way  
Where nothing is real, they say...

Wickedness, belief, faith  
All shits guided by fear  
Attractions, suffering, lies  
You all know what I'm talking about...(2x)

Dominion - sorcery - possession

See the world in another way  
No white or black, let's see what's grey  
See the world in another way
