

Clear My Head

Daði Freyr

I can't tell if it's real
Or if it's part of my daydream
What am I supposed to feel
Now?

It's a little overwhelming
Would you share it with me
If you don't listen that's just fine
I don't want to waste your time
I just need to
Say some things out loud

I know I can go on and on
Honestly there's nothing wrong
I just need you
To clear my head

Just be
That's all I need
So
Well
Yeah
You keep me where I need to be
Without you I'd be gone with the wind

If you don't listen that's just fine
I don't want to waste your time
I just need to
Say some things out loud
I know I can go on and on
Honestly there's nothing wrong
I just need you
To clear my head
