

Something Magical

Daði Freyr

I can't believe that it's happening again
Just like last year
And the year before that
And the year before that
And the year before that

I'm not sure what it is
About this time but

There is something magical
About Christmas time
I can't put my finger on
Why it feels so divine

There is something magical
About Christmas time
When I get to spend it with my baby
Baby baby baby baby baby baby baby baby
Baby baby baby baby baby baby baby baby yeah

We go through the same routine
Just like last year
And the year before that
And the year before that
And the year before that
There is something comforting about the repetition
I don't know
We hear the same songs for days in a row
Why fix it if it ain't broke
It sounds annoying sometimes it is so
I don't know

There is something magical
About Christmas time
I can't put my finger on
Why it feels so divine

There is something magical
About Christmas time
When I get to spend it with my baby
Baby baby baby baby baby baby baby baby
Baby baby baby baby baby baby baby baby yeah
