Daði Freyr

If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours

If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours

Hold my hand and we'll go for a ride
And then at least we can say we tried
What's the worst that could happen to us
If we give it tonight

Cause there ain't nothing really to it
And I don't know if I can change your mind
If you really want it you'll get through it
And you'll find

If we move
(We move together)
If we dance
(We dance together)
Stick around, find common ground
If we break
(We break together)
If we die
(We die together)
If we harmonize
I think we will be okay

If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours

Started off on the wrong foot
Now we can take it somewhere else
If you don't like my output that's fine
Cause I don't like it myself
But I see something happening
Cause I know that I have never been
In a conversation like this before

And there ain't nothing really to it
And I don't know if I can change your mind

If you really want it you'll get through it
And you'll find

There's always something
I've been stumbling on my words
But what I wanted to say is
That you can't go for nothing
We've got so much time

If we move
(We move together)
If we dance
(We dance together)
Stick around, find common ground
If we break
(We break together)
If we die
(We die together)
If we harmonize
I think we will be okay

We move together
I think we will be okay
We dance together
We break together
We die together
We move together
If we don't it could go away
We dance together
We break together
We die together

If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
If you're mine, I'll be yours
