

# Trying

Daði Freyr

Bear with me  
I promise  
I'm trying  
I am trying

I know I said  
I was fine  
Was I lying?  
Well I'm trying

I've been here  
A thousand times  
But I never seem  
To get familiar  
Why am I  
Still surprised  
Shouldn't I be  
Getting familiar?  
Familiar  
Familiar

Bear with me  
I promise  
I'm trying  
I am trying
