

A Song For You

Daisy Jones & The Six

Mmm

I've been a lot of places
In my life and time
I've sung a lot of songs
And I've made some bad rhymes
I've acted out my life on stages

With ten thousand people watching me
This world will now and I'm singing this song to you
I know your image of me is what I hope to be
I treated you unkindly, oh, but, baby

Can't you see?
There's no one more important to me, baby
Can't you see through me?
This world will now and I'm singing this song to you

You taught me precious secrets
Of a true love, a cold nothin'
You came by the front
And I was hiding

And now, I'm so much better, baby
And if my words don't come together
Listen to the melody
'Cause my love will be there hiding

I'll love you in a place
Where there's no space or time
I'll love you for my life
'Cause you're a friend of mine

And when my life is over
Remember when we were together
We were alone and I was
I was singing this song to you

We were alone and I was
I was singing this song
Singing this song to you
