

Up To You

Daisy Jones & The Six

All that I can do
All that I can do is wait (Is wait)
And if I can't understand
Maybe I can still relate (Relate), yeah

Someone has been in your shoes before
Most the time, they walk right out the door

I'll leave it up to you, babe
I'll leave it up to you, babe
Do what you gotta do, babe
Yeah, yeah

All that I can do
All that I can do is wait (Is wait)
And if I can't understand
Maybe I can still relate (Relate), yeah

Someone has been in your shoes before
Most the time, they walk right out the door

I'll leave it up to you, babe
I'll leave it up to you, babe
Do what you gotta do, babe
Yeah, yeah

Yeah, yeah (Yeah)
Yeah, yeah (Yeah)
Yeah, yeah
