Daisy The Great

Lala lala lala la
Lala lala lala la

Good God
Me, my heart is showing
Through my shirt like you could hold it

I can't help but feeling
Good as can be
It's you and it's me
Again

Oh la, lala lala la
Lala lala lala la
Lala lala lala la lalala
Lala

Good God
Well me, I love someone
I couldn't leave them if I want, no

I can't help but feeling
Good as can be
It's you and it's me
Again
