

**mmmmm**

**Daisy The Great**

Gimme one more day  
To bask in your light  
Now the sun is beige  
And the sky is white  
And I'm all blue

Gimme me one more tune  
In the dead of night  
Glitter in my eyes  
And a broken mic  
What I would do to  
Sing for you

Mmmmm  
Mmmmm  
Mmhmm  
Mmhmm  
Mmhmmmm
