

## Time To Fall

Daisy The Great

Minuscule painting of thumb tack dreams  
Clutter my brain walls  
Closing in on me ayyayaya ahahaha  
Pick a number one to infinity ha hahahaha  
You choose right you'll love for eternity hahaha  
You will see lalalalala

Time to fall back in love with myself (lalalalalala)  
Eyes will crawl, I will save them  
Top shelf (la)

(Na na na na)

Somebody told you you like Dionysus  
God of wine and theatre and religious ecstasy  
You worn a crown of ivy, held a gilded drinking cup  
All dressed up in a perception of a girl holding a drink

Time to fall back in love with myself (lalalalalala)  
Eyes will crawl, I will save them  
Top shelf (la)

(Dee dee dee dee dee)  
(Dee dee dee dee dee)  
(Dee dee dee dee dee)

A lover of mine-a-once upon a time  
Sent a message down my spine  
To show me my intention  
I've invented my detention

Time to fall back in love with myself  
Eyes will crawl, I will save them
