

Tough Kid

Daisy The Great

I've got a lot to say now
And I'm gonna be a big girl
'Cause I'm getting pretty sick
Of your tired aggravation
I think I had enough now
I know you wanna be a tough kid
But I gotta walk away
From a shitty situation

How do your eyes stay so bright
When you've given away
Every single moment of your time?
Aren't you afraid of running
Out of thoughts
Aren't you losing your mind?
Your sweet intentions are driving me insane
I'm not tryna learn
I'm just trying to behave

I'm tripping over my shoes
Just tryna catch up to you
But you're ten miles away
You're ten miles away
And I'm not really jealous
But I can't hope but feel
Like I'm losing this race
Just look at your face

How do your eyes stay so bright
When you've given away
Every single moment of your time?
Aren't you afraid of running
Out of thoughts
Aren't you losing your mind?
Your sweet intentions are driving me insane
I'm not tryna learn
I'm just trying to behave

I've got a lot to say now
And I'm gonna be a big girl
I think I had enough now
I know you wanna be a tough kid
I've got a lot to say now
And I'm gonna be a big girl
I think I had enough now
I wanna be a tough kid
Yeah I wanna be a tough kid

How do your eyes stay so bright
When you've given away
Every single moment of your time?
Aren't you afraid of running
Out of thoughts
Aren't you losing your mind?
Aren't you losing your mind?
