

# Crushed

Dala

I told myself today was gonna be the day  
No more excuses 'cause I knew exactly what to say  
Was gonna make my play but just like yesterday  
My mind erased and I let the moment slip away

Another night got me sitting here all on my own  
Picking up the phone but I can't get past the dial tone  
Wracking my brain, going insane  
Again and again, I can't keep going this way

Crushed by the sweetest lips I've never kissed  
And your fingertips and the warmest touch I've always missed  
Crushed by the softest hands I've never held  
Probably never tell, you're the strongest love that I've ever felt

Crushed that I haven't ever let you know how it always goes  
'Cause I lose my nerve whenever you get close  
And so I'm left short of breath with that heavy feeling in my chest  
Baby, I'm so crushed

So I told myself that tomorrow's gonna be the day  
And I keep on telling myself that I'm gonna find a way  
And I won't be afraid just like yesterday, won't walk away  
Never gonna let another chance slip away

'Cause I gotta know which ever way it's gonna go  
Rest my heart and soul 'cause there can never be no more  
Wracking my brain, going insane  
Again and again, I won't keep going this way

Crushed by the sweetest lips I've never kissed  
And your fingertips and the warmest touch I've always missed  
Crushed by the softest hands I've never held  
Probably never tell, you're the strongest love that I've ever felt

Crushed that I haven't ever let you know how it always goes  
'Cause I lose my nerve whenever you get close  
And so I'm left short of breath with that heavy feeling in my chest  
Baby, I'm so crushed

Crushing I'm so into you, don't know what I'm gonna do  
Gotta find a way to you, I don't know just what to do  
Crushing I'm so into you, don't know what I'm gonna do  
Gotta find a way to you

Ooh I'm crushing I'm so into, you don't know what I'm going to do  
Gotta find a way to you  
And so I'm left short of breath with that heavy feeling in my chest  
Baby, I'm so

Crushed by the sweetest lips I've never kissed  
And your fingertips and the warmest touch I've always missed  
Crushed by the softest hands I've never held  
Probably never tell, you're the strongest love that I've ever felt

Crushed that I haven't ever let you know how it always goes  
'Cause I lose my nerve whenever you get close

And so I'm left short of breath with that heavy feeling in my chest  
Baby, I'm so crushed

Crushing I'm so into you, don't know what I'm gonna do  
Gotta find a way to you  
(And the warmest touch I've always missed)

Crushing I'm so into you, don't know what I'm gonna do  
Gotta find a way to you  
(And the strongest love that I've ever felt)  
Crushing I'm so into you, don't know what I'm going to do  
Gotta find a way to you

And so I'm left, short of breath with that heavy feeling in my chest  
Baby, I'm so  
(Crushed)
