Cryin' to Cryin' Time Again

Dale Watson

I'm cryin' to "Cryin' Time Again"
Buck Owens seems to be my only friend
Now I'm right back where I've really always been
Cryin' to "Cryin' Time Again"

When I'm feelin' down and blue
There's one thing that'll do
To drive away this feelin' deep inside
I just put those records on
And sing along 'til dawn
The words tell exactly how I feel

I'm cryin' to "Cryin' Time Again"
Buck Owens seems to be my only friend
Now I'm right back where I've really always been
Cryin' to "Cryin' Time Again"

I'm feelin' down and blue
There's one thing that'll do
To drive away this feelin' deep inside
I just put those records on
Sing along 'til dawn
The words that tell exactly how I feel

I'm cryin' to "Cryin' Time Again"
Buck Owens seems to be my only friend
Now I'm right back where I've really always been
Cryin' to "Cryin' Time Again"
