

Why Oh Why Live a Lie

Dale Watson

the talk u talk ain't the walk u walk,
why oh why live a lie,
the word's u speak u don't really mean,
why oh why live a lie,

u can't be true to me be true to u,
u can't love me just because u say u do,
ur tongue tells stills but ur heart know's well,

why oh why live a lie,

u seam blinded by all those temting signs,
why oh why live a lie,
