

Love And Affection

Daley

I am not in love
But I'm open to persuasion
East or west, where's the best
For romancing
With a friend, I can smile
But with a love I can hold my head back
And really laugh, really laugh

Thank you
You took me dancing
Cross the floor, cheek to cheek
But with a love I can really move, really move
I can really dance, really dance

Now if I can feel the sun in my eyes
And the rain on my face
Why can't I, feel

Love and affection
Sing me a love song
But this time with a little dedication
Sing it (sing it), sing it (sing it), yeah

With friends I still feel so insecure
Little darling, I believe you could help me a lot, yeah
Just take my hand and lead me where you will
No conversation, no wave goodnight

Make love, with affection
Sing me another love song
But this time with a little dedication
Sing it, sing it, yeah

Make love, with affection
Sing me another love song
But this time with a little dedication
Sing it (sing it), sing it, yeah
You know that's what I want
So sing it, sing it, sing it, oh
Give me love, give me love,
Love, love, oh yeah
Give me love, love, love, love

Make love, make love
Make love, with affection
Sing me a love song
But this time with a little dedication
