

Willingly (Melodie Perdue)

Dalida

Willingly, I'm offering my heart and soul to you
Willingly, I'll go through fire if you should ask me to
Hopefully, I hope to be the one your heart adores
Thrillingly, give your lips to me and I'll willingly be yours

Willingly, I'm offering my heart and soul to you
Willingly, I'll go through fire if you should ask me to
Hopefully, I hope to be the one your heart adores
Thrillingly, give your lips to me and I'll willingly
'Til eternity, yes, I'll willingly be yours
