

Fixer Upper

Dallas Smith

Yeah I know I'm a little rough around the edges
I can roll off of track sometimes
I got some dust, got some rust
That you need a little touchin' up to make 'em shine
And I just wanna let you know right now
Before we go all in on this
Might take some time for me to get it right
Baby if I'm being honest

Yeah I'm just a fixer upper
Baby layin' here in your arms
I might need a little loving
But still got a lot of that southern charm
I wouldn't know where to start
With these pieces of my heart
I'd probably fall apart if you were gone
Yeah I'm just a fixer upper
But every time I'm with you girl
I feel at home (yeah home)

I don't know what you ever saw
Walking up and down these halls
That could have made you believe
I was a diamond in the dirt
Even though you probably heard
That you shouldn't even try with me
Baby I'd be lying if I said that there wasn't
Times that I didn't agree, yeah

Yeah I'm just a fixer upper
Baby layin' here in your arms
I might need a little loving
But still got a lot of that southern charm
I wouldn't know where to start
With these pieces of my heart
I'd probably fall aspire if you were gone
Yeah I'm just a fixer upper
But every time I'm with you girl
I feel at home (yeah home)
Yeah I'm just a fixer upper

Yeah I know I'm a little rough around the edges
I can roll off the tack sometimes

Yeah I'm just a fixer upper
Baby layin' here in your arms
I might need a little loving
But I still got a lot of that southern charm
I wouldn't know where to start
With these pieces of my heart
I'd probably fall apart if you were gone
Yeah I'm just a fixer upper
But every time I'm with you girl
I feel at home (yeah home)
Yeah I'm just a fixer upper
