

Ain't It Easy

Dalton Dover

That 17th summer, I swore I thought I loved her
But we were too young to make it work
There's another girl in Athens, we tried to make it happen
For two hard years, oh man, it hurt
I had some ones that got away, a few heartbreak goodbyes, should've s
topped at hello
But here with you today, there's nothing I'd change if this is how it
goes

It ain't easy finding the right one
But all of the wrong ones led me to you
Baby, you're everything that I want
So it was worth all I had to get through
It's hard not to hold you, hard not to love you
Hard not to know what I got, girl, believe me
It ain't easy finding the right one
But when you find them, that rest of your life one
Ain't it easy

There's never been a second of ever second guessing
It's a once in a lifetime kind of thing
I guess that's why they say when you know, you know
And I knew from the start that you were meant for me
It never felt so right, don't even have to try when we feel the way w
e do
And God knows I've been waiting my whole life to find someone like yo
u

It ain't easy finding the right one
But all of the wrong ones led me to you
Baby, you're everything that I want
So it was worth all I had to get through
It's hard not to hold you, hard not to love you
Hard not to know what I got, girl, believe me
It ain't easy finding the right one
But when you find them, that rest of your life one
Ain't it easy

Ooh, it ain't easy

It ain't easy finding the right one
But all of the wrong ones led me to you
Baby, you're everything that I want
So it was worth all I had to get through
It's hard not to hold you, hard not to love you
Hard not to know what I got, girl, believe me
It ain't easy finding the right one
But when you find them, that rest of your life one
Ain't it easy

Oooh, ain't it easy
