Can you feel it slipping? As you lose your grip on me Can you face that I won in the end I can't keep from laughing You can't take it away I earned this with sweat and blood You can't take it away Take what's mine Breathing new life back into me Challenging all the powers that be Breathing new life back into me Challenging all the powers that be Breathing new life Breathing new life Breathing new life Don't you see it coming? When you've caught on, it's too late When it hits, don't forget who I am Don't forget this face You can't take it away I earned this with sweat and blood You can't take it away Take what's mine
