

Bestie

Dame D.O.L.L.A.

I can't be your man, I'll be your sex friend
Look, we got nothin' on but the Netflix
Bust a bag, I cut my check, Pateks
Pull up with the stick just to protect, yeah
Uh, that's my bestie with with benefits
You could be my bestie with benefits
Your girl my bestie with benefits
Girl, you're just my bestie with benefits
Bestie with benefits
That my bestie, yeah, that my bestie
That my bestie, yeah, that my bestie (Ayy)
Yeah-ah

Mm, even though we rock tough, you know my situation
Focused on myself and I ain't really datin'
Girl, you know we focused, I know you from the basement
Treat you to the finer things and give you penetration (Get it in)
Uh, I'm always here for you (I'm always here for you)
If you gotta vent I'll always be an ear for you (I'm listenin')
In the club I be offended when they holler (When they holler)
'Cause I keep you in that Fendi and Gabbana (I do)
We take trips and I keep groceries in your condo (Okay)
If a sucker push his line, I pull up on him pronto (You don't want it)
Pronto, pull up on him pronto
'Cause these paws on Hector "Macho" Camacho (Uh)

I can't be your man, I'll be your sex friend
Look, we got nothin' on but the Netflix
Bust a bag, I cut my check, Pateks

And them little benefits gettin' messy
If I show a little interest, you tryna check me (You tryna check me)
Ridin' shotty and on the back of the jet skis (You on the back with it)
Ooh, girl you somethin' else (You somethin' else)
We only friends, but you tryna keep me from someone else (For what?)
I never curve you or treat you like a runner-up (Never)
These other girls only seein' me when the summer comes (That's the only time)
)
'Cause you my bestie with benefits (Right)
They can get your loyalty or sentiment (They can't)
My bestie with benefits
And we made it this far, what a coincidence
