

Check

Dame D.O.L.L.A.

Never really cared who liked me (Liked me)
Mansion on the water, shit pricy (Pricy)
I came from the slums in a white T (Uh)
All about the check, check (No Nike)
All about the check, check, check (No Nike)
All about the check, check, check (No Nike)
All about the check, check, check (No Nike)
All about the check, check, check
All about the check, check, check
All about the check, check, check
Cut my check, check, check
You gon' cut my check

Uh, all about the check, I need my ducats
Keep diamonds dancing on my neck in the function
The Scrapo with the suicides
Old money so I gotta let a cougar ride, ayy
Shoulda known by the last name (Shoulda)
Dame D.O.L.L.A. keep a foreign in the fast lane
And I never had a bad game
'Cause my mouthpiece strong and my bag strange
You feel me?
Real Brookfield, uh

Never really cared who liked me (Liked me)

Chicks telling they dudes get up on my wave
Got 'em big mad tryna ride my fade
And I don't got the time for it
I'll dust a nigga off, but I'm a Tom Ford
Ooh, get your feelings hurt
Put your girl on a bird, call it chicken church
Mmm, from the slums, boy, I been alert
Blow the whistle in my referee official shirt
Ahh, what they say?
Big money, uh
