Dame D.O.L.L.A.

I don't run around with no fake ones (Fake ones)  
Only squares comin' from my pay stub (From my pay stub)  
Bitches on my line, I'ma date one  
Try to kill the vibe? Nah, I'ma make one (I'ma make one)  
I'm the life (I'm the life), I'm the hype (I'm the hype)  
I'm livin' right (I'm livin' right), I up the price (I up the price)  
I'm the life (I'm the life), I'm the hype (I'm the hype)  
I'm livin' right (I'm livin' right), I up the price (I up the price)

Lil' mama bad, I'ma press go  
I'ma move quick like a fresco  
Niggas stay hatin' on my fresh, though  
Niggas mad 'cause they chicks in my text, though  
This a bop, fuck the opps  
I'm the wave, a neat stop  
She a ten, call a friend  
We outside, let's get it in  
I never stop, I'm the [?]  
From the block, me and my homies  
She [?] like she know me  
I shoot my shot like I'm Kobe

I don't run around with no fake ones (Fake ones)  
Only squares comin' from my pay stub (From my pay stub)  
Bitches on my line, I'ma date one

I'm the life (I'm the life), I'm the hype (I'm the hype)  
I'm livin' right (I'm livin' right), I up the price (I up the price)  
I'm the life (I'm the life), I'm the hype (I'm the hype)  
I'm livin' right (I'm livin' right), I up the price (I up the price, for rea  
l)

She put it in rewind, that's the way I like it  
Seen that movie, baby I'm a psychic  
Fresh up out the pen the way that I'ma strike it  
You know I got some chump change on me, I'm eatin'  
Fuck her like I love her but let a sucker wife it  
You know I got some chump change, homie, I'm eatin'  
Dream girl slobbin' on me, she teethin'  
Vibe change on you, OD, I'm the reason  
Only push Bentleys, you be in Caprices  
Tell me, is you tryna backdoor your best friend, though?  
Wanna sweat your makeup out? I keep her head bent  
You can get my snap, ain't gon' be no text sent  
So you never share a screenshot, but how we sextin'?  
Big money, I'm the flavor, gold timepiece  
Better ask about me, known to keep a fine freak  
Livin' my best life tryna reach my peak  
Bring a dime around me, it's a given, I'ma beat  
You feel?
