

## Live From The Bubble

Dame D.O.L.L.A.

You feel me? Ha  
N-N-Nonstop

Ay, live from the bubble, what a time it is  
When negative is better than a positive  
Know the rules, but we ain't makin' promises  
We gotta feed the babies, bring them commas in  
Bubble talk (Bubble talk)  
Bubble vibes (Bubble vibes)  
Suckas talk (Suckas talk)  
On the line (On the line)  
Mask on (Mask on)  
So disguised (So disguised)  
If you quarantined, free the guys (Free the guy)

D.O.L.L.A  
Presidential flavor, top floor with it (That's for Presi)  
Feel like prep school, it ain't no women (It ain't no women)  
We speak to bank tellers, but ain't no snitchin' (Snitch)  
Long way from Daves, it was low chicken (Bow, bow)  
I'm really special, my momma remind me daily  
So niggas could never play, on Jesus and all my babies (Baby)  
See me, say "what's up?", but I know they plot on my lady (Know)  
On occasion pull a nutty, I'm rich with sprinkles, a crazy nigga (Wow)  
I ride in cars in cars I struggle even pronouncing (Pronounce)  
Do this in my sleep, I'm discrete and they make announcements (Wow)  
Energy the same on the street or peak of the mountain (The same)  
Even when they hate, I still let 'em drink from the fountain (Ha)  
This that boss flavor, my cloth tailored, wish they could touch me  
Toss flavors to lost haters, niggas disgust me  
Soon as I was up, a lot of cousins came (A lot of cousins came)  
I bubbled up, but I never let my bubble change (You feel me?)

Ay, live from the bubble, what a time it is

You said you got that bubble talk  
I'm lookin' like, "God damn, look how that bubble walk" (Mmm)  
It go up, down, and side everywhere you go  
I follow your ass to the trenches, you know how that go (Anywhere)  
But I said, "woah, you know how this shit go" (Yeah, don't play)  
Don't play with me, I'm not them little bros, yeah  
Don't play with me, I'm not them little woes, yeah  
Don't play with me, I'm not them little foes, yeah  
Look, I can't say it enough  
It could be great and dandy, yeah, but you playin' tuff (Why?)  
Just play your cards right and maybe we manage to, uh

Text and call, go to the mall, yeah  
And you know you gon' spend it all, yeah (Gucci, Dior)  
'Cause I can't play that role unless you less you really matter, nah  
Yeah, bae, play your part, play your role  
What I mean, sit back, sit back when I'm on road (I got it)  
Yeah, I'ma player, girl, yeah I'm in my zone  
See you get it, I'm playing (I'm playing)  
Girl, I'm in my zone (I'm just out here hooping)  
I'm on the court, I hit it like a free throw, yeah  
Off the DM, at my baby girl, yeah, no, yeah (No, yeah)  
And you's a go getter, super dope, hella chill  
And I fuck with you, you got that lil' cute nose  
You so cute, you so cute with them lil' pink toes (Pink toes)  
And you know I can't forget it, yeah  
My queen, yeah, legit, you know I'm with it, yeah  
I pull up, roll up, we ain't in no Civic, yeah  
Range Rover, big body, it's extended, yeah  
Twenty-one years young, I'm tryna get it, yeah (I'm young, man)  
Bae, whatever you said, I'll forget it, yeah  
And my Latinos already know how it go, yeah  
Love it when they call me papi on the low, yeah  
And this that bubble talk  
And this that bubble flow  
Yeah, G.T. on the mic, but it's time to go (I gotta go)

Live from the bubble, what a time it is

Yo, Nassir  
We makin' money, put it back in the community (For the game)  
Elevation of my people, speak it fluently (Raise 'em up)  
Neighborhoods where parents go to jail for chewing C  
Safe in the bubble, so nothing COVID can do to me (Masked up)  
I masked up (Masked up)  
From whip down (Whip down)  
No daps (No daps)  
Fist pounds (Fist pounds)  
Can't escape (Can't escape)  
What's around (What's around)  
Only thing we got is each other in this town  
'Cause it's the bubble life  
We isolate with lots of lonely nights  
We use our platform to put up a fight  
For all the things that we know that's right (Right)  
'Cause off this court, there's so much more to life (Life)  
Do it for the fam, the true meaning of sacrifice (Damn)  
Magic Bands gotta scan the mat every entrance of business  
Everywhere feels like I'm doing a sentence (Locked up)  
Little dudes looking up asking how I did this  
Stayed about my business, worked hard, not gifted (Facts)
