I'ma get the squad and we gon' run it up (squad!), aye  
All of this is hustle, none of this is love

They was hatin' on me, now it's all love  
All of this is hustle, none of this is love  
We was goin' hard, now we came up  
All of this is hustle, none of this is love

Aye, all of this is hustle  
Y'all about to make it where I gotta show my muscle  
When I'm gettin' to it, girl, it's easier to love you  
Tried to give me scraps, I made 'em pieces to the puzzle  
I grind  
Ain't no secret money on my mind  
Sit at my table then you want my time  
And I don't play that  
I'm stuntin' for the payback  
I'm from where Golden State at  
But Portland where I lay at  
I'm the Daddy Mac, Mac Daddy with hoop and rappin'  
Y'all be on your Kris Kross, uh, hustlin' backwards  
All this game I'm givin' is prolly gon' be a caption  
When the lights and camera off I'ma still be 'bout that action

Aye, run it up, run it, aye, run it up, aye  
I'ma get the check and I'ma run it up, aye  
I'ma get the squad and we gon' run it up, aye  
All of this is hustle, none of this is love, aye  
Run it up, run it, aye, run it up, aye  
I'ma get the check and I'ma run it up, aye  
I'ma get the squad and we gon' run it up (squad!), aye  
All of this is hustle, none of this is love

They was hatin' on me, now it's all love  
All of this is hustle, none of this is love  
We was goin' hard, now we came up  
All of this is hustle, none of this is love

Aye, I'm finna run it up  
And tell them niggas hurry up if niggas runnin' up  
Them haters try to bring me down, I shouldn't have brung 'em up  
She askin' me to bring her out, I only brung a blunt  
Run it up, we runnin' things, she want run with us (yeah)  
Yada, yada, young mula, now kiss my such and such  
I want a thot, I want a model with a bubble butt  
A double cup of some codeine and my slushy slush  
Pullin' stunts, I'm pullin' strings, and I'm pullin' up  
I spun it up and bounced back like a bungee jump

And D. Lill. in the buil', nigga one of us  
Them D. Lills on my feet after 1-on-1

All of this is hustle, none of this is love  
Know what time it is, they don't frisk my cousins  
We be on chill, we ain't worried 'bout nothin'  
Baby, if it's real, then it's no discussion  
I ain't tryna hear what you tryna tell me (uh-uh)  
I ain't tryna buy what you tryna sell me, uh  
I see the hatred, how that paint drip  
Closed another deal, hunnid mill', uh, page flip  
We gon' run it up, Cartier bracelet  
I could make a princess chick out of basic

(They was hatin' on me, now it's all love)  
All of this is hustle, none of this is love
